Dear Lucie

Mr Ringsbury will call and give you this and I suppose will bring you out. Ma says you must take a bag such as will go into the chaise box and crowd all your things and any things of Caroline's or Warren's that want to come. Pa has changed off Victoria for a red horse very handsome with a black mane and long black tail but Pa says he trots "ready to kill". also among the above named horses other good qualities a nail in one of his hind feet that of course impedes his progress a little is foremast. give my love to all I am

with much respect your obt humble svt to command

Dear Lissy

I have very little to say but I thought I would write a few words to you. I have not painted your baby's face yet but I shall soon. The flowers are nearly all gone. The things are coming up beautifully in my garden. It is late so I can write no more. Your affectionate Emma
